UN, WHO plotting total ENSLAVEMENT of humanity with all-powerful “global health dictatorship”

In order to prevent a repeat of the Wuhan coronavirus (COVID-19) – *or so they claim* – the power brokers at the United Nations (UN) and the World Health Organization (WHO) are **busy scheming up** a *final solution* for humanity, complete with a long-envisioned "global health dictatorship" that is now within the realm of possibility as a direct result of the *scamdemic*.

Now that the world has been fully primed for all-encompassing health fascism, the UN and the WHO are putting the final touch on the globalists' long-awaited *endgame* for the planet, which puts *them* in charge of everything, and *us* either in slavery or the incinerators.

At a recent UN-WHO gathering, called "Creating and maintaining political momentum and solidarity for Pandemic Prevention, Preparedness and Response," a milestone was achieved in that the world's globalist overlords are all in agreement that there is an "urgent drive to make all people of the world safer and better protected from the devastating impacts of pandemics," to quote WHO Director-General Dr. Tedros Adhanom Ghebreyesus.

When UN, WHO make the IHR effective next May without a vote, its provisions will immediately become effective for all member nations

It is unknown at the current time how many world leaders and heads of state are fully on board with newly approved WHO documents, including the majorly revised International Health Regulations (IHR), which also includes [the so-called Pandemic Treaty](#).

We are told that there have been 90 points of revision in the IHR thus far. Once complete, the blueprint for global enslavement will be rammed through the next World Health Assembly (WHA) gathering, scheduled for May 2024.

Once this occurs, the IHR will become effective and binding for *all* UN members *without a vote*.

In case you missed it, the Health Ranger recently interviewed Dr. Astrid Stuckelberger about all this, Stuckelberger being an expert in such things because of her lengthy career working in Geneva, Switzerland, also known as ground zero for the globalist health establishment – *watch the interview below*.

Since all of these meetings are taking place behind closed doors, we are only getting bits and pieces of the full agenda. Much of what is being reported about the IHR and the Pandemic Treaty seems to be coming from patchwork analyses that center around the revelations contained in the documents in questions, as well as in their revisions.

Everything going on in secret right now will eventually dovetail with the UN's Agenda 2030 – and, as [the Bible reveals](#), everything going on in secret will eventually be made manifest for the world to see, damning those involved in scheming it all in darkness.

If all goes as planned and a black swan event does not occur before then, the IHR will be implemented next spring and the more than 190 national governments that have been co-opted by the globalists will be forced to comply, *or else*.

Governments that refuse to go along with the plan will be punished, likely with blackmail because the globalists in charge behind the curtain – this is also commonly called the *deep state* – have dirt on all their puppets, which they use to keep their marionettes aligned with the globalists' dark agenda.
